Infection control Term Puzzle

Create a CROSSWORD PUZZLE

- Using the graph paper provided
- Using ALL of the terms on the terms list

You will need to create and provide:

1. The Puzzle itself (so someone else can fill in the words)
2. The Definitions of the words to denote 1 across, 2 down, etc. (this CAN NOT be the terms list I give you)
3. An answer key to your puzzle

***if you need you to you can add extra boxes to the graph paper

6. An answer key to your puzzle
